

There's more to a great spa than location, location, location!

Spa Guests Growth Analysis Report

At Interdesign Spa Consulting Group, we know that it takes much more than a great location and funding to turn a spa into a true profit-producing venue.

Our team of experts has the background and experience necessary to properly design, equip and initiate the successful operation of a start-up spa or to analyze, restructure and redesign an existing spa for maximum operation and exponential growth.
